

# Da Vinci

## Machines and Robotics

[www.ArtisansOfFlorence.com](http://www.ArtisansOfFlorence.com)

Delivering world-class interactive exhibitions

**On loan from the Museum of Leonardo da Vinci in Florence**, this exhibition combines the most iconic da Vinci inventions (such as the bicycle, helicopter and military tank) with unbelievable new discoveries of da Vinci's lost Robots by the world renowned Niccolai family (such as the clockwork dragonfly-drone, robot drummer and mechanical lion). With exhibits featured in **Scientific American** and subject to **the world's only patent on da Vinci technology** this travelling exhibition is a unique and engaging interactive experience for all ages that won't fail to inspire and amaze!

### Key Features
